### WITH YOUR TURKEY PURCHASE

**Support the seminarians of the Diocese of Peoria by  
purchasing your Thanksgiving turkey through the  
Knights of Columbus, St. Clement Council.**

Thanks to the generous support of Kelleher's, our parish Knights will sell a limited number of whole turkeys. Choose a frozen bird or a deep-fried turkey prepared by our own Knights. A very limited number of fried birds will be available, which come with uncooked giblets in a covered foil pan for refrigeration and reheating instructions. **Don't miss out - order yours today while supplies last!**

**Don't need a turkey, but still want to support the Seminarian Fund?** There are two options from which to choose! You can make a monetary contribution, or you can purchase a frozen turkey for St. Vincent De Paul which will be used to support those in need in our community. These can be purchased in our online shop or drop a check in the collection payable to the Knights of Columbus, St. Clement Council 12407 with "Seminarian Fund Donation" or "Seminarian Fund SVDP Turkey" in the memo.

Thanks to the generosity of our parishioners the Knights were able to support two seminarians in 2022, John Paul Stedwill from our parish and Ignacio Cardenas from the Peoria Diocese.
